Brakes India

## ABOUT BRAKES INDIA

Brakes India established in 1962, is part of the \$2.5 bn TVS Santhanam family group, with lineage from the erstwhile TVS group. Brakes India is headquartered in Chennai with 15 manufacturing plants across the country, supplying safety components to local and multinational OEM customers across the passenger cars, light commercial vehicles, heavy commercial vehicles, tractors and off-highway segments. Brakes India is the market leader in the aftermarket with diverse product groups – Friction, Braking and Fluids. Fluids cover wide range of products including Brake Fluids, Coolants, Steering fluid, and Engine oil.

The most trusted name  
in safety  
launches  
High quality engine oils

Enhanced wear  
protection

Corrosion control  
with HyperZDP  
technology in cars

Piston cleanliness  
with advanced Soot  
control

High performance  
with Turbo boosters

# CAR ENGINE OIL

## Passenger Car Segment

Revia passenger car engine oil is developed with high precision, especially for all kind of petrol engines to bring out the best engine performance. Advanced additives featuring **Hyper ZDP** technology provide excellent corrosion & oxidation control which safeguards the engine. Revia passenger car engine oil is formulated to provide maximum engine protection and efficiency under extreme driving conditions, resulting in longer engine lifespans.

### 5W30

**API SN/CF** Synthetic Blend

Revia 5W30 API SN/CF is a premium synthetic blend engine oil, developed with high precision, enhanced with advanced additive technology to keep engine clean and efficient.

Corrosion control with **HyperZDP** technology

Piston cleanliness with advanced soot control

Available Sizes: **1L, 3L, 3.5L, 4L, 5L, 210L**

## 15W40

**API CK4** Synthetic Blend

Revia 15W40 CK4, meeting API specifications, is a top tier low ash diesel engine oil designed with synthetic technology for latest generation ultra-low emission BS VI vehicles fitted with after treatment devices such as Diesel Particulate Filters (DPFs), Exhaust Gas Recirculation (EGR) and Selective Catalytic Reduction (SCR) devices.

Excellent all weather performance

Piston cleanliness with advanced soot control

Available Sizes: **1L, 7.5L, 10L**

## 5W40

**API SN/CF** Fully Synthetic

Revia 5W40 API SN/CF is a premium fully synthetic engine oil, developed with superior quality synthetic oils, employing advanced additive technology, delivering ultimate performance even in the toughest driving conditions.

Corrosion control with **HyperZDP** technology

Enhanced wear protection

Available Sizes: **1L, 3.5L, 4L, 5L**

## Packaging Information

Segment	Grade	Specs	Type	Can colour	Bucket colour
				(1L to 5L)	(7.5L TO 20L)
Passenger car motor oil	5W30	Synthetic blend	API SN/CF	Copper Brown	-
	5W40	Fully synthetic	API SN/CF	Copper Brown	-
	10W40	Synthetic blend	API SN/CF	Copper Brown	-

	15W40	Synthetic blend	API SN/CF	Dark Blue	-
Diesel engine oil	15W40	Mineral	API CF4	Red	Red
			API CH4	Red	Yellow
			API CI4 +	Light Grey	Light grey
		Synthetic blend	API CK4	Light Grey	Dark blue

## 10W40

Synthetic Blend **API SN/CF**

Revia 10W40 API SN/CF is a premium synthetic blend engine oil, specially formulated with selective base stock and additives that provides excellent engine wear & tear protection and therefore, prolongs the engine life. The special additive contributes to significant reduction in engine noise.

Corrosion control with **HyperZDP** technology

Extended engine life

Available Sizes: **1L, 3.5L**

## 20W50

**API SM** Mineral

Revia 20W50 API SM is a high performance low ash gas engine oil, formulated from premium mineral oil and select additives to provide excellent thermal stability and resistance to oxidation and nitration.

Corrosion control with **HyperZDP** technology

Extended engine life

Available Sizes: **1L, 3L, 3.5L**

# 15W40

**API SN/CF** Synthetic Blend

Revia 15W40 API SN/CF is a premium quality synthetic blend engine oil, boosted with group III base oils to provide increased engine protection through increased oxidation resistance. Engine cleanliness is also promoted by the increased level of dispersants and detergents.

Corrosion control with **HyperZDP** technology

High engine cleanliness

Available Sizes: **1L, 3.5L, 5L**

# 15W40

**API CF4** Mineral

Revia 15W40 CF4, meeting API specifications, is a premium quality commercial multipurpose diesel engine oil. The oil is designed for superior performance requirements of highly rated diesel engines for fleet applications, on and off highway operations.

Corrosion control with **HyperZDP** technology

Piston cleanliness with advanced soot control

Available Sizes: **1L, 3L, 5L, 7.5L, 10L, 15L, 20L, 50L, 210L**

## DIESEL ENGINE OIL

### Diesel engine Oil

Revia diesel engine oil is formulated to deliver excellent performance of today's modern diesel engine as well as earlier engines (from BSI to BSVI). Formulated for reliable operation, Revia engine oil protects the engine from harmful deposits and from corrosion. **BSVI compatible** Revia CK4 is heavy-duty diesel engine oil offering longer life and service intervals.

# 15W40

Mineral **API CH4**

Revia 15W40 API CH4 is blended with premium base stocks and selected additive technology for outstanding performance in both older diesel engines and modern low-emission diesel engines.

Piston cleanliness

High performance with Turbo boosters

Available Sizes: **1L, 3L, 5L, 7.5L, 10L, 15L, 50L, 210L**

# 15W40

**API CI4+** Premium Mineral

Revia 15W40 CI4 PLUS, meeting API specifications, is a premium commercial multipurpose diesel engine oil. The oil is designed for superior performance requirements of new generation diesel engines for fleet applications, on and off highway operations.

Piston cleanliness

High performance with turbo boosters

Available Sizes: **1L, 5L, 7.5L, 10L, 15L, 210L**
